

## RETRACTION NOTE

---

### **Retraction Note to: Sulforaphane exerts anticancer effects on human liver cancer cells via induction of apoptosis and inhibition of migration and invasion by targeting MAPK7 signalling pathway**

Bo Huang, Shixiong Lei, Dong Wang, Yibo Sun, Jikai Yin

Department of General Surgery, TangDu Hospital of the Air Force Medical University, Xi'an 710038, China.

#### **Retraction note to:**

**JBUON 2020; 25(2): 959-964; PMID: 32521892**

*Following the publication of this article [1], readers drew to our attention that part of the data was unreliable. Then the corresponding author contacted with our journal and requested to retract this article. Given above, we decided to retract this article. All the authors were informed of the retraction. We thank the readers for bringing this matter to our attention. We apologize for any inconvenience it may cause.*
