

## RETRACTION NOTE

---

### **Retraction Note to: Dammarenediol suppresses the growth, migration and invasion of human osteosarcoma cells by modulating PI3K/Akt and STAT-3 signaling pathways**

Yingbin Wu, Yue Chen, Zheng Xu, Ming Xiang

Department of Orthopaedics, Hospital of Chengdu University of Traditional Chinese Medicine, Chengdu, Sichuan 610000, China.

#### **Retraction note to:**

**JBUON 2020;25(5):2444-2448; PMID: 33277868**

*Following the publication of this article [1], readers drew to our attention that part of the data was unreliable: Figures of this article appeared in other articles (by totally different authors). The authors were requested to provide the raw data and were also asked for an explanation to account for these concerns, but the Editorial Office did not receive any reply. Given above, we decided to retract this article. Authors were informed of the retraction. We thank the readers for bringing this matter to our attention. We apologize for any inconvenience it may cause.*
